

## Outside In Mission Statement

### Objectives:

To enable:

- Clients to be involved in the decision making processes that affect them.
- St Mungo's to better involve clients in decision making.

To create opportunities to enable clients to realise their full potential.

---

### Our Vision:

- Homeless and vulnerable people are not the problem, they are part of the solution.

### Our Mission:

- To build and sustain the partnership with St Mungo's through Client Involvement to improve the ability of people to achieve their full potential.

### Our Aim:

- To ensure that the experience, skills and talents of St Mungo's Clients are recognised and utilised in tackling the problems that St Mungo's and the Client community face.

---

### Core Values:

#### Respect and Representation:

- We recognise and respect the right of the individual to be heard and the value of their opinion.
- We recognise the diversity of people's experience, skills and talent.

#### Involvement and Influence:

- We understand that it is through the effective partnership of clients and support organisations that sustainable solutions to homelessness will emerge.

#### Progression and Recovery:

We believe:

- That every client holds the potential for a positive future.
- That together, as a community, we will achieve that goal.
