

St Mungo's provides a bed and support to more than 2,850 people a night who are either homeless or at risk, and works to prevent homelessness. Our vision is that everyone has a place to call home and can fulfil their hopes and ambitions.

- **£10** could give a client's dog a health check from a vet in one of our hostels.
- **£15** could help buy essential toiletries and bedding for someone moving into independent living.
- **£25** could help one of our outreach vans run for a week, helping us find rough sleepers and take them to shelter.
- **£50** could pay for a bed, a warm meal and healthcare for a rough sleeper.

Of every £1 donated, **82p** goes towards the services we provide.
