What is the Clearing House?

The Clearing House has been supporting current and former rough sleepers into accommodation for more than 20 years as part of the Rough Sleepers Initiative (RSI).

Our team has access to more than 3,700 one-bed and studio flats across London specifically set aside for our client group. Once in accommodation, clients will receive help from our Tenancy Sustainment Teams (TST) to maintain tenancies and also assist with move on when they no longer require support.

We work in partnership with about 50 Housing Providers (RSLs) to deliver accommodation. In excess of 30 separate organisations currently refer rough sleepers to the Clearing House for housing.

Our aim is to ensure RSI accommodation is available for and allocated to single homeless people who have slept rough or are sleeping rough on the streets of London.

St Mungo’s Broadway provides a bed and support to more than 2,500 people a night who are either homeless or at risk, and works to prevent homelessness, helping about 25,000 people a year.
