

Corporate Supporter Volunteering guide

St Mungo's
Ending homelessness
Rebuilding lives

Volunteers are an integral part of St Mungo's and our supporters play an important role in supporting our services. Corporate volunteering is a fantastic way to help your workforce engage with the local community, giving them the opportunity to learn new skills and make a significant impact to tackling homelessness.

Individual opportunities

→ StreetLink

As a StreetLink London Volunteer, you will be part of our StreetLink London referral line which works to connect people who are rough sleeping to homeless support services in their area. Volunteers play a vital role in connecting people to support that can help them end their homelessness.

→ Outreach

Outreach teams focus on engaging with people sleeping rough and offering them routes out of homelessness and towards recovery. Volunteers will be guided by an experienced outreach worker with extensive knowledge and experience, supporting with shifts as an extra pair of hands.

→ First response

Volunteers support our Outreach workers by checking locations for rough sleeping activity, to ensure they can respond to StreetLink referrals as quickly as possible.

How do I apply for individual volunteer opportunities?

- Head to our [website](#) to explore our exciting individual volunteering opportunities and find the right one for you.
- Complete the application form and we'll be in touch with the next steps.
- Keep checking our page, as we advertise new roles on the first and third Friday of every month!

Christmas

Christmas can be an exceptionally difficult time of year for St Mungo's clients, which is why we always welcome supporters to get involved to help make Christmas as special as possible!

Each year, our partners and supporters come together to donate gifts to clients staying in our services over the festivities. In 2022, over 2,000 Christmas gifts were donated, to over 60 of our services.

How does this work?

- Collect Christmas gifts using our handy guide.
- Pop on the festive tunes and spend some time wrapping the gifts in the office with colleagues.
- We will match you with a St Mungo's service where you can arrange the gifts to be delivered to.

How else can I get involved?

- Come along to one of our station [bucket collections](#) to help raise vital funds this winter.
- Receive our bespoke training offer, [HomelessWise](#), where you will have the opportunity to learn more about how you can help people sleeping rough this Christmas.
